

Building Surveyor Awards 2025 & Building Surveyor Accreditation Plus (BSA+) – Briefing Session

Building Surveyor Awards 2025 (BSA 2025) is now open for nomination! You are welcome to enrol or nominate project team(s) to submit applications. The theme this year is **“Embracing Harmony, Recognizing Excellence”** which highlights the importance of fostering harmony in the community and built environment. It also celebrates the pursuit of excellence through high-quality projects and the remarkable professional practices of Building Surveyors.

Meanwhile, to mark the 10th BSA Anniversary, HKIS - BSD will launch a brand-new Accreditation Scheme - **Building Surveyor Accreditation Plus (BSA+)**, which invites entries of buildings or premises for evaluation to achieve the prestigious “Plus” accreditation. **All BSA applicants can be enrolled in BSA+ free of charge!**

For more details, please visit our event website: <https://www.hkis-bsa.com/>

For interested parties, you are invited to attend the **Building Surveyor Awards 2025 & BSA+ Briefing Session**. This briefing session will provide comprehensive details about Building Surveyor Awards 2025 and Building Surveyor Accreditation Plus (BSA+).

Briefing Session Highlights

Key information of the BSA 2025 including the theme, award categories, jury panel, assessment criteria, key dates, nomination and submission procedures.

Introduction, eligibility and application details of Building Surveyor Accreditation Plus (BSA+)

About Building Surveyor Awards 2025

BSA was first introduced in 2015, and this biennial award aims to enhance public recognition of preeminent projects with substantial contributions by Building Surveyors in terms of design, management, innovation, sustainability, value enhancement, and community care. BSA2025 invite all to nominate project team(s) to submit applications for categories of (i) New Development, (ii) A&A, Conversion and Fit-Out, (iii) Maintenance and Rehabilitation (iv) Research and Innovation and (v) Project Outside Hong Kong.

About Building Surveyor Accreditation Plus

BSA+ invites entries of buildings or premises for evaluation to achieve the prestigious “Plus” accreditation. Recognition is granted to honour buildings or premises that exemplify excellence in meeting rigorous criteria evaluated by building surveyors, delivering outcomes that prioritize end-user enjoyment.
